

79. Then woe to those who write the book with their own hands and then say : "This is from Allah," so that they may purchase a small gain by it ! So woe to them for what their hands have written and woe to them for what they earn thereby.

80. And they say : "The fire will not touch us but for a few numbered days." Say : "Have you taken a covenant from Allah ?" Surely Allah never fail to fulfil His covenant, or you say of Allah what you do not know?

81. Yes, whoever earns evil and his sins surround him, such are the companions of the fire, they will abide therein forever.

82. And those who believe and do good works, they are the companions of the garden, therein they abide forever.

Section 10

83. And remember, We took a covenant from the children of Israel : "You shall worship none but Allah, and be good to parents, and to kindred, and to orphans and to the needy, and speak good to all men, and establish prayer and pay zakat" Then you turned back except a few among you. And you are the disinclined people.

84. And remember, We took a covenant from you : "You shall not shed blood amongst you, nor turn out your own people from your dwellings," then you ratified and you were witness to this.
